Fixed To Mobile Satellite Services

Terms and Conditions of Service

The following terms and conditions ("Terms and Conditions") apply to fixed-to-mobile Inmarsat services provided to the customer ("Customer") by Stratos Wireless Inc. and/or Xantic Sales B.V. (collectively, "Stratos").

Article 1 - The Services

- 1.1 Stratos shall provide the Customer with Inmarsat Services as agreed upon in the order form completed and executed by Customer and Stratos ("Order"). No Order shall be deemed final until executed by Stratos.
- 1.2 The Customer has the right to sell the Inmarsat Services in its own name to subscribers, being a consumer or legal entity ("Subscriber") on a non-exclusive basis in accordance with these Terms and Conditions.

Article 2 – Duration and Termination

- 2.1 These Terms and Conditions shall become effective upon the execution by Stratos of an Order ("Effective Date") and shall remain in effect for as long as such Order and, as applicable, succeeding Orders remain in effect ("Term").

Article 3 – Pricing, Billing and Payment

- 3.1 The prices for the Inmarsat Services are set out in the Order.
- 3.2 Stratos shall render monthly invoices to the Customer for the Inmarsat Services. The Inmarsat Services shall be invoiced per minute. The monthly invoice shall contain a detailed summary of the Inmarsat Services and the amounts due in accordance with these Terms and Conditions.
- 3.3 Unless agreed stated in the Order, the amount due shall be stated on the invoice in USD (\$), and payment shall be made in the same currency to Stratos's bank account mentioned on the invoice, within 30 days after the invoice date ("Due Date").
- 3.4 Without prejudice to Stratos's other rights, amounts not paid by the Due Date will be subject to an interest charge of the lesser of (1) one and one-half percent (1.5%) per calendar month or (2) the highest rate permitted by law.
- 3.5 If any portion of the amount invoiced is subject to a bona fide dispute by Customer, Customer must, within thirty (30) days of its receipt of the invoice containing such disputed amount, give notice to Stratos of the amount it disputes ("Disputed Amount") and include in such notice the specific details and reasons for disputing each item. If the Disputed Amount is resolved in favor of Stratos, Customer must pay the Disputed Amount together with interest as provided in Article 3.4 upon final determination of such dispute. Stratos will issue any applicable credits to Customer upon resolution of any disputes in favor of Customer. An invoice is deemed to be accepted if no written notice of a dispute is provided before the invoice due date. The submission of a dispute objection shall not entitle the Customer to suspend payment of the undisputed part of an invoice.
- 3.6 Stratos may amend the charges and/or rates in connection with the Inmarsat Services by giving thirty (30) days prior written notice. An amendment of the rates and/or charges shall come into effect on the date determined by Stratos.
- 3.7 For the purposes of calculating the amounts due by the Customer under these Terms and Conditions, the information kept by Stratos shall be final and conclusive in determining such amounts. Stratos shall compile such information with the care that may reasonably be expected in comparable circumstances.

Article 4 – Inmarsat Provisions

- 4.1 Stratos reserves all rights to suspend any provision of the Inmarsat Services temporarily and/or to restrict the use of the Inmarsat Services if the Customer fails to meet any payment or other obligation towards Stratos in connection with these Terms and Conditions.

BEYOND THE HORIZON®

- 4.2 In order to safeguard the integrity of the Inmarsat Services, Stratos shall always have the right to take all measures and/or to give any instruction to the Customer that Stratos deems necessary in order to prevent and/or correct faults in the Inmarsat Services. The Customer hereby agrees to follow all such reasonable instructions to prevent and/or correct such faults.

If any withholding tax is payable, the gross amount due to Stratos is to be adjusted so, that the net amount paid to Stratos (after deduction of withholding tax) is equal to the gross amount due to Stratos before adjustment.
- 6.2 During the Term, Stratos has the right to request that the Customer provide Stratos with an irrevocable and unconditional bank guarantee for an amount equal to three (3) months invoices. The bank shall guarantee to pay all sums payable by the Customer under these Terms and Conditions at first demand of Stratos, without set off or other deduction.
- 6.3 The bank guarantee referred to in Article 6.2 shall be supplied by a bank to be approved by Stratos in advance in writing.
- 6.4 The bank guarantee referred to in Article 6.2 shall be valid for the duration of the Term and a further six months after the termination or expiration of the Term, at which point Stratos shall return it immediately, provided the Customer has settled all outstanding invoices.
- 6.5 If the Customer fails to pay any amount, which it owes under these Terms and Conditions, Stratos shall be entitled to use the bank guarantee for the sums payable by the Customer. A written request of payment by a duly authorised representative of Stratos stating the amount so payable shall be conclusive unless manifestly incorrect.

- 16.4 If any provision of these Terms and Conditions is invalid, void, ineffective, unenforceable and/or illegal, such will not affect the validity and/or enforceability of the remaining provisions of these Terms and Conditions. In such a case, the Parties shall enter into good faith negotiations to amend such a provision in conformity with the original intents of the Parties.
- 16.5 In promoting and/or advertising its services Stratos and/or any of its direct or indirect subsidiaries shall be entitled to refer to the Customer as being a Customer of Stratos, unless otherwise advised in writing by the Customer, and this reference shall not constitute an infringement of the Customer's intellectual property rights.
